
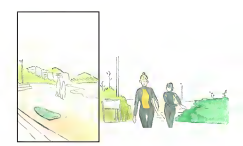
The Girl who Walks the Waves

Story: Ha Nau Art: Go Ara Help: Jamongja

Episode 10: The Gift of the Waves



SFX: Peek

SFX: Paint

Sounds good.

You like your coffee hot, right?

Yes.

How is your son?

He was here last week.

I see.

Please wait a moment.

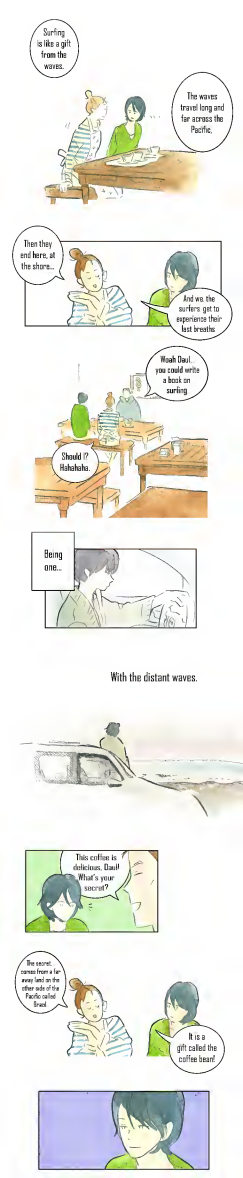
SFX. Sits down

SFX. Leans

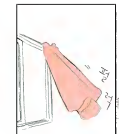
SFX. Ho!

SFX. Woah!

SFX. Klink



Surfing is like a gift from the waves.
The waves travel long and far across the Pacific.
Then they end here, at the shore...
And we, the surfers get to experience their last breaths
Woah Daul, you could write a book on surfing.
Should I? Hahahaha.
Being one...
With the distant waves.
This coffee is delicious, Daul! What's your secret?
The secret comes from a far-away land on the other side of the Pacific called Brasil
It is a gift called the coffee bean!



SFX Flutter

One month?!
I guess I won the bet. Lunch is on you today.
She said one month, but she could be here longer.
Want to make another bet?
I say she'll stay for 6 months.
Six months? No way.
If you don't even surf well, then it isn't worth the sunburns and hair damage. She'll only last a month.
That's what I'm saying!
So Son Woo and Cue are betting on one month.
What do you wager, Hyun Jae?
What're you doing? You've mashed up all your rice.
So? What's your bet?

Six months.

I bet she stays longer than six months.

Ha!

Big bro! That's different from what you've said before!

Sun Woo, let's just eat.
Today's meal is good.

Ah~ I'm stuffed.
SFX: Open

You only eat a lot when the meal is free.
Shut up!

SFX: Touch

SFX: Flutter

SFX: Paddle paddle

One...

Two...

Three!

Take off!

You have to practice this until your body memorizes the motions.
Yes.
Just do exactly how I practiced! Exactly how I practiced!

SFX. Splash splash

The wave is here!

One...

Two...

Three!

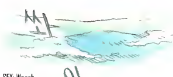
Ack!
SFX: Slip

One...
Two...
Three!
SFX: Slip

SFX: Rise

I keep losing balance.
That's okay, it's hard to maintain balance.

Even if you were stronger, if you lose your balance, you'll fall off!



It's kind of like life, you can't enjoy it unless everything is balanced...

Why is balancing so hard?
